32 an election conducted as nearly as practicable in the same manner as the
33 election provided in section 15-481 and held on a date prescribed in section
34 15-491, subsection E, but such authorization shall not necessarily specify
35 the site to be purchased and such authorization shall not be necessary to
36 exchange unimproved property as provided in section 15-342, paragraph 23.

37 11. Construct, improve and furnish buildings used for school purposes
38 when such buildings or premises are leased from the national park service.

39 12. Purchase school sites or construct, improve and furnish school

2 by the district as gifts, grants and devises with the county treasurer who
3 shall credit the deposits as designated in the uniform system of financial
4 records. If not inconsistent with the terms of the gifts, grants and devises
5 given, any balance remaining after expenditures for the intended purpose of
6 the monies have been made shall be used for reduction of school district

8 the county treasurer shall carry the balance forward for use by the county
9 school superintendent for accommodation schools for the budget year.

10 16. Provide that, if a parent or legal guardian chooses not to accept a
11 decision of the teacher as provided in section 15-521, paragraph 3, the
12 parent or legal guardian may request in writing that the governing board
13 review the teacher's decision. Nothing in this paragraph shall be construed
14 to release school districts from any liability relating to a child's
15 promotion or retention.

16 17. Provide for adequate supervision over pupils in instructional and
17 noninstructional activities by certificated or noncertificated personnel.

18 18. Use school monies received from the state and county school
19 apportionment exclusively for payment of salaries of teachers and other
20 employees and contingent expenses of the district.

21 19. Make an annual report to the county school superintendent on or
22 before October 1 each year in the manner and form and on the blanks
23 prescribed by the superintendent of public instruction or county school
24 superintendent. The board shall also make reports directly to the county
25 school superintendent or the superintendent of public instruction whenever
26 required.

27 20. Deposit all monies received by school districts other than student

34 deposit miscellaneous monies received directly by the district. The board
35 shall remit monies deposited in the bank account at least monthly to the
36 county treasurer for deposit as provided in paragraph 20 of this subsection
37 and in accordance with the uniform system of financial records.

38 22. Employ an attorney admitted to practice in this state whose
39 principal practice is in the area of commercial real estate, or a real estate
40 broker who is licensed by this state and who is employed by a reputable
41 commercial real estate company, to negotiate a lease of five or more years
42 for the school district if the governing board decides to enter into a lease
43 of five or more years as lessor of school buildings or grounds as provided in
44 section 15-342, paragraph 7 or 10. Any lease of five or more years
45 negotiated pursuant to this paragraph shall provide that the lessee is

1 responsible for payment of property taxes pursuant to the requirements of
2 section 42-11104.

3 23. Prescribe and enforce policies and procedures for disciplinary
4 action against a teacher who engages in conduct that is a violation of the
5 policies of the governing board but that is not cause for dismissal of the
6 teacher or for revocation of the certificate of the teacher. Disciplinary
7 action may include suspension without pay for a period of time not to exceed
8 ten school days. Disciplinary action shall not include suspension with pay
9 or suspension without pay for a period of time longer than ten school days.
10 The procedures shall include notice, hearing and appeal provisions for
11 violations that are cause for disciplinary action. The governing board may
12 designate a person or persons to act on behalf of the board on these matters.

13 24. Prescribe and enforce policies and procedures for disciplinary
14 action against an administrator who engages in conduct that is a violation of
15 the policies of the governing board regarding duties of administrators but
16 that is not cause for dismissal of the administrator or for revocation of the
17 certificate of the administrator. Disciplinary action may include suspension
18 without pay for a period of time not to exceed ten school days. Disciplinary
19 action shall not include suspension with pay or suspension without pay for a

23 to act on behalf of the board on these matters. For violations that are
24 cause for dismissal, the provisions of notice, hearing and appeal in chapter
25 5, article 3 of this title shall apply. The filing of a timely request for a
26 hearing suspends the imposition of a suspension without pay or a dismissal
27 pending completion of the hearing.

28 25. Notwithstanding section 13-3108, prescribe and enforce policies and
29 procedures that prohibit a person from carrying or possessing a weapon on
30 school grounds unless the person is a peace officer or has obtained specific

37 of tobacco within school buildings. The policies and procedures shall be
38 adopted in consultation with school district personnel and members of the
39 community and shall state whether smoking is prohibited in school buildings.
40 If smoking in school buildings is not prohibited, the policies and procedures
41 shall clearly state the conditions and circumstances under which smoking is
42 permitted, those areas in a school building that may be designated as smoking
43 areas and those areas in a school building that may not be designated as
44 smoking areas.

32. Keep on file the resumes of all current and former employees who provide instruction to pupils at a school. Resumes shall include an individual's educational and teaching background and experience in a particular academic content subject area. A school district shall inform parents and guardians of the availability of the resume information and shall make the resume information available for inspection on request of parents and guardians of pupils enrolled at a school. Nothing in this paragraph shall be construed to require any school to release personally identifiable information in relation to any teacher or employee, including the teacher's or employee's address, salary, social security number or telephone number.

33. Report to local law enforcement agencies any suspected crime against a person or property that is a serious offense as defined in section 13-706 or that involves a deadly weapon or dangerous instrument or serious physical injury and any conduct that poses a threat of death or serious physical injury to employees, students or anyone on the property of the school. This paragraph does not limit or preclude the reporting by a school district or an employee of a school district of suspected crimes other than those required to be reported by this paragraph. For the purposes of this paragraph, "dangerous instrument", "deadly weapon" and "serious physical injury" have the same meanings prescribed in section 13-105.

The school district governing board shall give

1 notice of the time and place of the meeting. At the time and place
2 designated in the notice, the school district governing board shall hear
3 reasons for or against closing the school. The school district governing
4 board is exempt from this paragraph if it is determined by the governing
5 board that the school shall be closed because it poses a danger to the health
6 or safety of the pupils or employees of the school.

8 existing curricula.

13 and self-administer emergency medications, including auto-injectable
14 epinephrine, while at school and at school sponsored activities. The pupil's
15 name on the prescription label on the medication container or on the
16 medication device and annual written documentation from the pupil's parent or
17 guardian to the school that authorizes possession and self-administration is
18 sufficient proof that the pupil is entitled to the possession and
19 self-administration of the medication. The policies shall require a pupil
20 who uses auto-injectable epinephrine while at school and at school sponsored
21 activities to notify the nurse or the designated school staff person of the
22 use of the medication as soon as practicable. A school district and its
23 employees are immune from civil liability with respect to all decisions made
24 and actions taken that are based on good faith implementation of the
25 requirements of this paragraph, except in cases of wanton or wilful neglect.

26 39. Allow the possession and self-administration of prescription
27 medication for breathing disorders in handheld inhaler devices by pupils who
28 have been prescribed that medication by a health care professional licensed
29 pursuant to title 32. The pupil's name on the prescription label on the
30 medication container or on the handheld inhaler device and annual written
31 documentation from the pupil's parent or guardian to the school that
32 authorizes possession and self-administration shall be sufficient proof that
33 the pupil is entitled to the possession and self-administration of the
34 medication. A school district and its employees are immune from civil
35 liability with respect to all decisions made and actions taken that are based
36 on a good faith implementation of the requirements of this paragraph.

20 boundary changes or adoptions that allows public comments.

21 (b) A procedure to notify the parents or guardians of the students
22 affected.

23 (c) A procedure to notify the residents of the households affected by
24 the attendance boundary changes.

25 (d) A process for placing public meeting notices and proposed maps on
26 the school district's website for public review, if the school district
27 maintains a website.

28 (e) A formal process for presenting the attendance boundaries of the
29 affected area in public meetings that allows public comments.

42 of the fiscal management report submitted pursuant to section 15-107,
43 subsection H on its website and make copies available to the public on
44 request. The school district shall comply with a request within five
45 business days after receipt.

B. Notwithstanding subsection A, paragraphs 8, 10 and 12 of this section, the county school superintendent may construct, improve and furnish school buildings or purchase or sell school sites in the conduct of an accommodation school.

C. If any school district acquires real or personal property, whether by purchase, exchange, condemnation, gift or otherwise, the governing board shall pay to the county treasurer any taxes on the property that were unpaid as of the date of acquisition, including penalties and interest. The lien for unpaid delinquent taxes, penalties and interest on property acquired by a school district:

1. Is not abated, extinguished, discharged or merged in the title to the property.

2. Is enforceable in the same manner as other delinquent tax liens.

D. The governing board may not locate a school on property that is less than one-fourth mile from agricultural land regulated pursuant to section 3-365, except that the owner of the agricultural land may agree to comply with the buffer zone requirements of section 3-365. If the owner agrees in writing to comply with the buffer zone requirements and records the agreement in the office of the county recorder as a restrictive covenant running with the title to the land, the school district may locate a school within the affected buffer zone. The agreement may include any stipulations regarding the school, including conditions for future expansion of the school and changes in the operational status of the school that will result in a breach of the agreement.

E. A school district, its governing board members, its school council members and its employees are immune from civil liability for the consequences of adoption and implementation of policies and procedures pursuant to subsection A of this section and section 15-342. This waiver does not apply if the school district, its governing board members, its school council members or its employees are guilty of gross negligence or intentional misconduct.

F. A governing board may delegate in writing to a superintendent, principal or head teacher the authority to prescribe procedures that are consistent with the governing board's policies.

G. Notwithstanding any other provision of this title, a school district governing board shall not take any action that would result in an immediate reduction or a reduction within three years of pupil square footage that would cause the school district to fall below the minimum adequate gross square footage requirements prescribed in section 15-2011, subsection C, unless the governing board notifies the school facilities board established by section 15-2001 of the proposed action and receives written approval from the school facilities board to take the action. A reduction includes an increase in administrative space that results in a reduction of pupil square footage or sale of school sites or buildings, or both. A reduction includes a reconfiguration of grades that results in a reduction of pupil square

footage of any grade level. This subsection does not apply to temporary reconfiguration of grades to accommodate new school construction if the temporary reconfiguration does not exceed one year. The sale of equipment that results in an immediate reduction or a reduction within three years that falls below the equipment requirements prescribed in section 15-2011, subsection B is subject to commensurate withholding of school district capital outlay revenue limit monies pursuant to the direction of the school facilities board. Except as provided in section 15-342, paragraph 10, proceeds from the sale of school sites, buildings or other equipment shall be deposited in the school plant fund as provided in section 15-1102.

H. Subsections C through G of this section apply to a county board of supervisors and a county school superintendent when operating and administering an accommodation school.

I. Until the state board of education and the auditor general adopt rules pursuant to section 15-213, subsection I, a school district may procure construction services, including services for new school construction pursuant to section 15-2041, by the construction-manager-at-risk, design-build and job-order-contracting methods of project delivery as provided in title 41, chapter 23, except that the rules adopted by the director of the department of administration do not apply to procurements pursuant to this subsection. Any procurement commenced pursuant to this subsection may be completed pursuant to this subsection.

Sec. 2. Short title

This act may be cited as the "School Safety and Liability Limitation Act".
